Button-up approach

In the coming year, SwissCham aims to implement a more bottom-up approach, empowering our board to form alliances and initiate activities that are relevant for our community at the national level. We believe that by adopting a more inclusive approach, we can effectively meet the diverse needs of our members and strengthen our community.

A localized common perspective

To achieve this goal, we plan to foster better communication within our organization by encouraging open and clear dialogues about member situations, feedback, activities, and good practices. We recognize that clear communication is vital to ensure smooth and efficient change, and we are committed to making this a priority within our organization.

Internationally interconnected

Enhancing multi-chapters communication.
SwissCham should become interconnected with our partners and friends in Hong Kong and Switzerland.
